WORLD VETERINARY ASSOCIATION CONGRESS

Barcelona, Spain | May 5 - 8, 2018

Global Seminar on Animal Welfare

Theme: *One Welfare*

7 May 2018 in Barcelona, Spain

During the World Veterinary Association Congress

The WVA is delighted to invite you to the Global Seminar on Animal Welfare to learn and debate with experts about the concept of *One Welfare*, which aims to improve animal welfare, human wellbeing, and environmental conservation worldwide.

With the intellectual support of
[One Welfare framework project](#)

Save the date in your diary!

The objective of the WVA's global seminars on animal welfare is to highlight the importance of animal welfare in the veterinary profession and the challenges, opportunities, and potential roles and responsibilities that the science of animal welfare presents for veterinarians.
